SUMMARY

I am a results-oriented web developer with over 5 years of experience specializing in front-end and back-end development. I am skilled in creating dynamic, responsive, and user-friendly websites. I am proficient in HTML, CSS, JavaScript, PHP, and various frameworks such as Laravel and ReactJS/NextJS. I have strong problem-solving abilities and a passion for staying up to date with the latest industry trends and technologies. With my high dedication and solid skills, I am ready to contribute to developing innovative and effective web solutions.
